RG-135 on Mining Pencil Props

Remember we have laminated posters with application spans of Rondo-Grip's: 35% & 70% coverage and we can make up other coverages if required.

The 110 & 180 have irregular circumferences but they will be replaced before the end of 2004 with regular shaped Rondo-Grip's.

Rectangular Anti-Split plates. We manufacture a full range and can on request manufacture any size with a maximum width of 300mm and any length up to 3,000mm.

We are suppliers of Delmhorst Moisture Meters and Increment borers and also service moisture meters, even if they are very old. We describe ourselves as "Suppliers of Treated Timber Hardware" - please ask for a demonstration pack to find out what else we manufacture and supply.

Thank you to all who pay promptly and a special thanks to the companies that paid during December!!

Rondo-Grip's!
They are *great!!!*
